Disposable breast pads
20 night pads

SCF253/20

Highlights

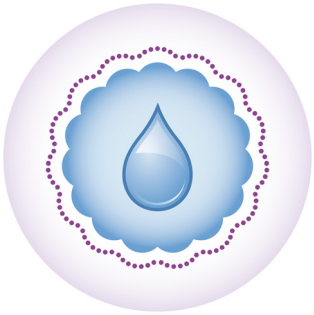
Overnight protection

The Philips AVENT breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

Developed with expert

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

All-round leakage barrier



Designed for extra protection when lying down.

Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.

Ultra Dry

The Philips AVENT breast pads have multi layers for super absorbancyand a one-way topsheet that traps moisture inside the pad.
